Dear Mr. Saunders,

On behalf of the Managing Board and the team of the Bulgarian Business Leaders Forum, we would like to cordially thank you for your participation in the Master Business Class in Management. This class has united some of the leading companies on the Bulgarian market with the future professionals in this field.

With your invaluable help we were able to prove that the leading specialists are actively involved in the professional development of young people in Bulgaria. We appreciate the fact that you willingly agreed to participate in the Master Business Classes and shared the secrets of your profession.

We are confident that the students will remember their meeting with you as an exceptionally positive, useful and pleasant experience. You managed to reinforce their interest and give them courage to seek professional realization in Bulgaria.

We hope that we will continue cooperating in future projects and initiatives as well!

We wish you a lot of professional challenges and success!

Sincerely,

Stamen Tassev
Executive Director
